

February 17, 2003

Dear Reine and Jacques,

There are no adequate words to describe the stunningly beautiful ring that you created for me.

Aside from the personal sentiments attached to this extraordinary piece, just knowing that your God-given inspiration and creation are manifested in this ring brings me additional pride, joy, and pleasure.

Thank you many, many times for this truly magnificent ring.

May God continue to bless you and Reine abundantly in every aspect of your lives.

With infinite appreciation,

Claire Ginn
